Cumbria Challenge shoot report 15-16th August 2019

A huge thank you to over 80 intrepid archers who had come from far and wide to undertake this year's Cumbria Challenge. Saturday saw the start at North Lakes Field Archers where we were treated to the type of course which consistently draws large amounts of archers wanting to pit themselves against what is usually one of the most varied and difficult courses in the North of England. Once again North Lakes did not disappoint, feedback on the course seemed to be uniform in praise for the way the targets were set and just how difficult the course was, every point was earned and once started it was immediately obvious why this weekend is called a challenge.

For those archers turning up to the second day of the Cumbria Challenge at Kendal Bowmen hoping for an easier less demanding end to the weekend they were in for a disappointment. Kendal Bowmen had set a really difficult course that like Saturday's must have pushed even the most experienced archer to the limits of their abilities. Again, feedback was very positive for a tricky and deceptive course that used the steep valley to maximum effect.

Both days were uncharacteristically dry... with one or two light showers not spoiling what was otherwise a fantastic weekend of archery in one of the most beautiful part of the country. We would like to say a huge thankyou to all the archers who attended, and particularly to everyone who was so generous with their time and energy in helping Kendal clear their woods of targets after the shoot had finished. Finally, congratulations to all the medal winners and a huge thankyou to all the people, the organisers, marshals, cooks and course setters, who were responsible for making such a brilliant weekend possible! We hope we see you all again in 2020!
